

Power+ Battery

Maintenance Free AGM Battery

Features

- Maintenance free
- Lasts twice as long as typical batteries
- Completely sealed and spill-proof with no exposure to hazardous chemicals
- Safe for standard shipping in the USA
- Works with virtually all types of back-up systems
- Performs up to 35% better than standard deep cycle batteries

Power+ Maintenance Free Batteries are revolutionizing the way we power our back-up systems. Simply connect a battery or batteries to your back-up system without having to perform monthly maintenance. The Power + battery is completely sealed and spill-proof with no risk of exposure to hazardous chemicals. It is safe for standard shipping anywhere in the U.S.
